 Dated the 21st October, 2016

Subject: Digitalization of Land Records in ICAR Institutes – reg.

Dear Director,

Kindly refer to my D.O. letter dated the 6th April, 16th May and 6th September, 2016 issued regarding the uploading of land data of your Institute in the Government Land Information System. While reviewing the status of uploading of data, Director (Works), ICAR has informed about difficulties being faced by him in uploading the data of your Institute. A schedule indicating the deficient information and date is enclosed wherein the concerned officers from your Institute will visit the office of Director (Works), ICAR and will assist in completing the uploading of land data of your Institute. It may be ensured that the concerned officer who is well conversant with the required information is deputed so that the work could be completed as per the schedule.

This may be treated as **MOST URGENT.**

With regards,

Yours sincerely,

(Chhabileendra Roul)
