# Processing and Quality Evaluation of Postharvest products of Sheep and Rabbits

## Introduction

ICAR- Central Sheep and Wool Research Institute is proud to announce a free online training program on “Processing and Quality Evaluation of Postharvest products of Sheep and Rabbits” sponsored by National Institute of Agricultural Extension management (MANAGE), Hyderabad. ICAR-CSWRI in recent times has developed many value-added and diversified products from sheep and rabbits. This training will help different stake holders getting state of art knowledge about sheep meat, milk, wool and rabbit fur with different value added products.

## Objective

To provide insights of the value-added and diversified sheep and rabbit products and various entrepreneurship opportunities in the field.

## Eligibility Participants

Extension officials of state/central animal husbandry departments, veterinarians, faculty of SAUs/KVKs/ICAR institutes are eligible to apply.

**Duration:** July 5-7<sup>th</sup> , 2022

**Proposed online Platform:** Cisco Webex

## Content

- ✓Sheep and rabbit breeds with their potential : Overview
- ✓Dietary intervention and feeding regime for enhanced production in sheep and rabbit
