

Entrepreneurship Development Programme on Scientific Sheep, Goat & Rabbit Rearing

17-22 January, 2022

Organised by
Agri Business Incubation Centre (ABIC)
ICAR-Central Sheep & Wool Research Institute
Avikanagar, Dist.-Tonk,
Rajasthan- 304 501

About ICAR-CSWRI

The CSWRI is a premier institute of ICAR engaged in research, training and extension activities on sheep and rabbits. It was established in 1962 at Malpura in Rajasthan. Now campus is popular by the name of Avikanagar. It has three Regional Research Centres in different climatic zones of the country to develop region specific technologies, located at Garsa (HP), Mannavanur (TN) and Bikaner (Raj). The Institute has developed prolific sheep Avishan, Avikalin for carpet wool production and Bharat Merino sheep for fine wool production.

CSWRI Avikanagar is situated about 90 km from Jaipur city. The campus is accessible through road only either by Rajasthan state roadways bus service or by hired taxi service. It is located 8 km after Diggi and 5 km before Malpura town on state highway SH-12.

About ABIC

ABIC intends to promote agribusiness and entrepreneurship development with the concept of growth through innovation, upgradation of technology and skill development. This centre envisages facilitating incubation of new start-ups /entrepreneurs and enterprises for innovative technologies by providing need based physical, technical, business and networking support, facilities and services to test and validate their venture before successful establishment of enterprises in the field of sheep, goat and rabbit husbandry and its post harvest technology.

About Training

The Entrepreneurship Development Programme of the ABIC project is aimed to harness business opportunities sector in sheep, goat and rabbit husbandry. It is also intended to sensitize the young entrepreneurs, to invite dynamic people in sheep, goat and rabbit sector to come forward and use the ABI platform of ICAR-CSWRI for their business growth.
